Isaiah 48:3-5

43:25 I, even I...not remember your sins. This verse is probably the high point of grace in the Old Testament. In spite of Israel's utter unworthiness, the Lord in His grace has devised a way that He can forgive their sins and grant righteousness, without compromising His holiness. This He would accomplish through the work of His Servant (53:6). In spite of her failures, Israel will always be God's chosen people.

**The High
Point
of
in the OT
is:
Isaiah
43:25**

8:24 If you do not believe, Jesus emphasized that the fatal, unforgivable, and eternal sin is failure to believe in Him as Messiah and Son of God. In truth, all other sins can be forgiven if this one is repented of. I am He. "He" is not part of the original statement. Jesus' words were not constructed normally but were influenced by Old Testament Hebrew usage. It is an absolute usage meaning "I AM" and has immense theological significance. The reference may be to both Exodus 3:14 where the Lord declared His name as "I AM" and to Isaiah 40-55 where the phrase "I am" occurs repeatedly (especially 43:10,13,25; 46:4; 48:12). In this, Jesus referred to Himself as the God (Yahweh—the Lord) of the Old Testament and directly claimed full Deity for Himself, prompting the Jews' question of v. 25.

Before the Throne of God Above

by Charitie Bancroft

When Satan tempts me to despair
And tells me of the guilt within
Upward I look and see Him there
Who made an end of all my sin
Because the sinless Savior died
My sinful soul is counted free
For God the Just is satisfied
To look on Him and pardon me
To look on Him and pardon me

God's _____ for Fasting

Isaiah 58:6

In the Old Testament we can see that Biblical Fasting was an _____ call to get serious about Knowing God.

In the New Testament we see Biblical Fasting was an ancient spiritual discipline to reschedule my life with God at the center *instead of dining, relaxing, amusing, accumulating, advancing, securing, and a multitude of other things that are not wrong* – just deadly to intimacy with the Almighty.

In the Early Church of Acts and the Epistles we see demonstrated that this Hunger for God shaped their lives, their ministry, their worship, and their outreach. In the Early Church we see Biblical fasting is a powerful way to yield every part of my life to God's supremacy.

Conclusion: Biblical Fasting is an immediate way to declare your allegiance to God's way and glory in every day of your life!
